COMMUNICATION REGARDING STATUS OF CLAIM 34

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This paper responds to the action mailed November 9, 2005.

A response to the prior office action was filed on August 29, 2005 and incorrectly identified that claim 34 was cancelled. The response should have indicated that the first occurrence of claim 34 was to be amended, while the second occurrence of claim 34 was to be cancelled. (A Substitute page 3 of the August 29, 2005 response is included herewith to reflect this). As the Examiner will recall, by mistake there were two versions of claim 34 included in the original claim set, and this mistake was not recognized until the undersigned assumed responsibility for this application.

The first occurrence of claim 34, as amended on August 29, 2005, should remain in the case, and this claim is allowable as it depends from allowed claim 33. Thus, Claims 1-83 (with the first occurrence of claim 34 included) should be in condition for allowance.

If the Examiner needs additional information, he is requested to contact the undersigned by telephone.
